WHATMAKESUSUNIQUE

1

RAS

Exclusive and Innovative RightOn! Adjustment System (RAS) featuring the largest adjustment range on the market.

2

Grip

The best shoulder grip assured. Our lining is designed, tested and checked so that the strap doesn't slip or stick.

3

Pick Holders

At least one pick holder built into all RightOn! guitar and bass straps.

4

Comfortable

Only the best quality latex is used for the strap padding so you feel fresh and comfortable for the whole gig.

5

VEGAN STRAP

Vegan

Eco-friendly materials in all our vegan straps, 100% free from all animal products. All made with the best raw synthetics, fabrics and natural fibers.

6

Design & Quality

Exceptional new materials added to the guitar strap world, best Italian velvets, metallized materials and quality embroidered ribbons.

7 Money Well Spent

Outstanding price-quality ratio for handmade straps.
